

Joanne Dorn

Joanne joined the CPAA in 2007 as the Director of Development after a brief volunteer period with the organization. She has succeeded in various roles, overseeing the fund development of the organization and the social enterprise operations to the marketing and communications departments and was appointed Executive Director in 2020. She has proven herself to be a strong leader and advocate for the CPAA's clients and members and she has a track record of getting things done and ensuring that the highest level of service is delivered. Joanne's experience, knowledge of the organization, and her motivation are helping build a more inclusive community.
