

## Funding Request Application Package

### Introduction

Cerebral Palsy Alberta (CPAA) is a registered non-profit society and makes a difference in the community by enriching the lives of people affected by cerebral palsy and other disabilities. Through our programs and services, we promote awareness, acceptance and understanding for persons with disabilities to live Life Without Limits.

The Funding Request Program assists Albertans with cerebral palsy with supports for daily living. The Program is funded through the CPAA's own fundraising efforts and from generous donations from members of our community. Through this program, we provide funding for items such as adaptive equipment (e. g. lifts, chairs, scooters), programs (e. g. disabled skiing and camps), and educational courses.
