

Kelly Edye has proudly been with Fountain Tire for 36 years, starting his journey in Calgary and later working in Grande Prairie, AB, Thunder Bay, ON, and Quesnel, BC. For the past nine years, he has served as the Owner and Manager of Fountain Tire Shepard in Calgary. His strengths lie in team building and community service — two values that have shaped both his career and personal life.

Kelly and his wife Shelagh have three children. Their daughter Darcie, who was born with Cerebral Palsy, passed away in 2020 at the age of 19. Her strength and spirit continue to inspire them every day. The Cerebral Palsy community holds a special place in their hearts, and he's truly humbled to join the Board of CP Alberta in her memory.

As a dedicated supporter, Kelly has gone above and beyond to champion the Cerebral Palsy Alberta mission. From serving as the long-standing presenting sponsor of the Calgary Golf Without Limits tournament, bringing 22 teams in 2025 alone, to securing auction items, prizes and supporting both our Calgary and Edmonton events, his impact is far-reaching. Off the course, Kelly has generously sponsored the CPAA truck, featured the CPAA logo on his Fountain Tire vehicles and is supporting the Hush Gala that benefits CP Alberta. His passion and community spirit make him an invaluable member of the CP Alberta family.
